October is Pastor Appreciation Month

*Pray daily for our pastors.
*Ask them how you could assist them with their ministry.
*Support them with your participation and financial resources.
*Just a brief note, email or phone call of gratitude for pastors can give them a lift and positive encouragement
for their 24-7 job doing whatever they can to make life better for you.

New Horizon is a mission minded church. During the year we have many outreach giving opportunities local, national and international. We ask you to prayerfully consider which projects God is call you to support.

Hurricane Plan 2026

If we are under a Hurricane Warning, and the storm is imminent, we will not hold worship services or any meetings at the church. There will be a message on our voice mail at 954.434.7400 and the front page of our website. Also, this is a good time to call a friend to make sure as many people as possible are aware.
